

# Neuro Knowledge

## Professional development for the disability sector

People are best served by a well-informed support team. That's why we are launching **Neuro Knowledge** – education and strategies for supporting people with a neuro condition or injury.

### Free professional development

Want to learn more to better assist your clients with neurological injuries or conditions?

The NeuroRehab Allied Health Network team would love to share what we know. We can tailor a **Neuro Knowledge** session to your learning needs.

Some popular topics include:

- AT prescription process
- A team approach to supporting people with MS
- Working with people with complex communication needs
- Goal setting support for different diagnostic groups.

### A tailored program to meet your learning needs

#### Presenter options:

- Physiotherapy
- Occupational Therapy
- Speech Pathology
- Neuropsychology
- Exercise Physiology
- Music Therapy
- Dietetics.

#### Format options:

- We come to you – we can join your team meeting or learning seminar.
- Meet us online – we can build a virtual event.
- Sessions can run from 15 minutes up to 60 minutes.

Contact us for more information or to discuss customising topics to suit your needs.
